

## FOLKLORE GAMES CARD

You are going to investigate what games were played by your **Grandparents**. This activity is very easy and funny. You should talk with your Grandparents about **the games that they played** when were children and fill this card with the accurate information. You must take information about **two games** at least, but you can hand over up to five. If your games are different than the other students games, your homework will obtain better graded.

**NAME OF THE GAME (spanish):**
